SCACM is very pleased to offer FREE registration to ALL attendees, whether SCACM members or not, for our six Fall state meetings. This gesture expresses our appreciation for the generous support given to our organization over the past 38 years by area laboratories, laboratory professionals and vendors of microbiology supplies.

To adequately plan for meeting space and lunch, we ask that all attendees submit this reservation form by fax, mail or email not later than 10 days prior to the meeting. If you register within 10 days of the meeting, please contact your State Director to determine if space is available for additional attendees. At door registration is permitted if capacity allows, please call ahead. Lunch may not be guaranteed for registrants within the 10 day window. Thank you for your cooperation.
